

Howdy. My name is Mike and I am the owner of SEO Twin Falls, the premier internet marketing agency serving Twin and all of Idaho. My team and I are responsible for over 100,000 first page rankings in Google, Yahoo and Bing resulting in close to 1,000,000 unique visits per month to ours and our clients websites.

One thing I would like to point out is that I am very hands on and it really irritates me when people hire an SEO Company in Twin Falls and end up having their campaigns outsourced overseas to India or some other country. Unfortunately this is a very common practice in the [Search Engine Optimization](#) community but it is something we DO NOT do here at SEO Twin Falls.
